

Iron Clad Series Straight Linear Scales

The CHATILLON® Iron Clad Series linear scales are designed for severe applications making them ideal for shipboard applications, warehouses, receiving docks or any application where harsh environmental conditions are present. Our Iron Clad Series feature an extra heavy duty steel and cast iron construction. Scales have a recessed pointer with deeply embossed numbers and graduations. All Iron Clads come with holding loop and bottom hook.

Features

- ❑ Extra Heavy Duty Construction
